

Women | 18+ | COMPLETE 7-DAY PLAN

FITNESS, STRENGTH & ENERGY

A balanced week combining strength, aerobic fitness, mobility, and recovery for general health and everyday performance.

PRIMARY GOAL	NUTRITION APPROACH
Build full-body fitness, confidence, mobility, and lasting training habits.	A flexible Pakistani plate works well: include a protein source, vegetables or fruit, roti/rice, and dahi or milk across the day.

EXERCISE GUIDE | KEY MOVEMENTS

SEE THE MOVEMENTS

Use the board as a visual orientation only. Ask a Shape Shifters coach to check setup, range of motion, and technique before increasing load.

WEEK 01 | EXERCISE

WEEKLY TRAINING PLAN

DAY	FOCUS	SESSION	FINISH / NOTE
Monday	Full body foundation	Squat to bench 3 x 10; chest press 3 x 10; pulldown 3 x 10; hip hinge 3 x 10; plank 3 x 20-40 sec	Easy 10 min walk
Tuesday	Aerobic fitness	30-40 min aerobics, brisk walk, cycling, or cross-trainer	Finish with calf and hip stretches
Wednesday	Lower body + balance	Leg press 3 x 10; hip thrust 3 x 12; reverse lunge 3 x 8/side; leg curl 3 x 12; single-leg balance 3 x 20 sec	Controlled tempo
Thursday	Mobility and recovery	20-30 min mobility or gentle yoga-style session	Optional relaxed walk
Friday	Upper body + posture	Seated row 3 x 10; shoulder press 3 x 10; pulldown 3 x 10; face pull 3 x 12; curls + pressdowns 2 x 12	Core: bird dog 3 x 8/side
Saturday	Fun conditioning	Coached circuit, aerobics, dance fitness, or 35-45 min mixed cardio	Choose something enjoyable
Sunday	Rest	Rest and normal daily movement	Prepare for the next week

PROGRESSION: Warm up for 5-10 minutes. Beginners may start with two sets. When every repetition feels controlled for two sessions, add the smallest available weight or 1-2 repetitions. Stop if an exercise causes sharp or unusual pain.

WEEK 01 | FOOD

PAKISTANI MEAL PLAN

DAY	BREAKFAST	LUNCH	SNACK	DINNER
Monday	2 eggs + whole-wheat roti + seasonal fruit	Chicken or chana salad + raita	Dahi or roasted chana	Daal + mixed sabzi + 1-2 rotis
Tuesday	Oats in milk with banana and cinnamon	Chicken tikka + rice + cucumber salad	Apple or guava + 8-10 almonds	Fish + sautéed vegetables + roti
Wednesday	Besan chilla + dahi	Daal chawal + kachumber salad	Unsweetened lassi	Chicken karahi with less oil + roti + salad
Thursday	Egg omelette with vegetables + roti	Rajma or lobia + rice + raita	Seasonal fruit	Grilled chicken + sabzi + roti
Friday	Dahi bowl with oats, fruit, and seeds	Fish or chicken + roti + salad	Roasted chana or a boiled egg	Moong daal khichdi + raita
Saturday	2 eggs + paratha cooked with minimal oil + dahi	Homemade chicken pulao + salad	Fruit chaat without sugar	Daal + bhindi/tori/lauki + roti
Sunday	Chana chaat + egg	Family meal: use one plate, prioritise protein and salad	Tea without sugar + nuts	Light chicken/vegetable soup + roti

EVERY DAY: Drink water regularly and include vegetables or salad. Prefer home-cooked food and adjust roti or rice portions to your calculated energy needs. Tea is fine; limit added sugar, frequent biscuits, bakery items, soft drinks, and deep-fried snacks.

GENERAL GUIDANCE ONLY: This plan is for generally healthy adults and is not a medical or individual diet prescription. If you are pregnant, under 18, managing diabetes, high blood pressure, an injury, an eating disorder, or another medical condition, speak with a qualified clinician or dietitian before starting. Exercise technique should be checked by a coach.
